

Barbarian cubicle system with aluminium pilasters to the floor.

Faceted urinal duct panels in solid grade laminate

Decra conquers the Fort in Birmingham !!!

Regular Decra specifier Crane Associates, chose the Decra Barbarian 2350 cubicle system for the public toilets at the Fort Retail Park complex in Erdington near Birmingham. Durable cherry effect solid grade laminate is used for the doors with frosted Perspex over panels. Laminate faced particleboard has been used for the partitions and duct panels to achieve a cost effective solution. Corian vanity tops combined with faceted solid grade laminate urinal panels complete this eye catching installation.
