

Tough enough for students !!!

Architect JRA (John Robertson Assoc) specified the Decra Barbarian cubicle system for the communal washroom areas at Nido student accommodation in Kings Cross. Durable 13mm solid grade laminate in a grey glossy finish has been used for the doors coupled with plain white solid grade laminate for the partition and duct panels.

Decra also manufactured the reception desk unit in Glacier White Corian.

Barbarian forms part of the Decra Architectura collection of innovative washroom cubicles and associated products. Contact our sales department for more details .
