

**Decra Burj Oak veneer
faced cubicle system
installed at 34-36
Lime Street (opposite
the Lloyds Building)**

Architects Househam
Henderson specified the Decra
Burj full height cubicle system
for this prestigious office
near Liverpool Street station
in London. Crown cut oak
veneered doors and pilasters
were supplied by FR Shadbolt
and the fascia structure was
installed onto stud partitions
Corian Night Sky has been
used for the vanity top to
complete this contemporary
installation. Burj forms part
of the Decra Architectura
collection of innovative
cubicles and vanity units
including numerous flush
fascia and full height solutions

Decra have also attained
PEFC accreditation using
certain combinations of
materials for the Burj cubicle
system - call Decra to discuss
