

**Cacophony of colours used for Decra cubicles and vanity units for a new extension to Manorfield School in East London !!!**

London Borough of Tower Hamlets in house architects department specified the Decra Freestyle range of cubicles for a new building for Manorfield Primary School near Langdon Park DLR station. Durable 13mm solid grade laminate has been used in a variety of colour combinations creating a visual feast to the senses. Half height vanity unit panels also follow the same theme of combining tones of colours and the end result we think is both imaginative and also incredibly good value for money.

Established for over 50 years Decra have built up an enviable reputation for school washrooms at both primary and secondary level with solutions to suit practically any budget constraints.

Freestyle forms part of the Constructa range of cost effective cubicles and vanity units from Decra. Please contact our sales department for more info.

Decra are fully chain of custody compliant.
