

Decra don't only make cubicles !!!

This stunning meeting room table and coffee table has been designed by Sam Johnson Design of North London and the tops manufactured by Decra's experienced fabrication team. Corian Glacier White is combined with a Pearl Grey Corian inlay providing a really contemporary alternative to wood based solutions. The project is a mixed development of accommodation and office space called "The Slug" and is opposite Selfridges in London. For more details contact our sales department or mail us on; sales@decraltd.co.uk
