

Decra Wigli cubicle range with shaped doors and pilasters - Decra Bee & Flower digital laminate doors

**Eldon Infants School in Edmonton, North London - showcases some fun new wash room cubicles from Decra's Wigli and Loo-ART ranges !!.**

Borough of Enfield own architects department specified Wigli from Decra for an overhaul of Eldon Infants School. Textured durable solid grade laminate (e.g Trespa) has been used for the doors of the black/grey and blue schemes and a digitally printed "Bee and Flower" laminate (from Decra's stock range of digital laminates) bonded onto a particleboard core, for the doors of the main image. Panels are in contrast vibrant colours.
